Britannia

By road to Europe

The right choice for your European Move

As the UK's largest independent moving group, Britannia has helped tens of thousands of families and individuals move home internationally for more than thirty years. In addition to being full members of the British Association of Removers (B.A.R.), Britannia Movers International are members of FIDI, IAM and are FAIM ISO accredited.

Britannia Movers commitment to quality has also seen it awarded the BS EN 12522 which demands consistently high quality service and operational standards, which are continually audited by independent quality assessors.

Such qualification and membership status gives you confidence that you are dealing with one of the UK's market leaders in European moving.

Britannia has over forty locations throughout the UK and will provide a professional, highly organised European moving service that puts the customer first by matching our service to your specific requirements.

Britannia has the expertise, local and international knowledge that meets your exact needs and will provide you with a trouble free move from start to finish.

Britannia

Complete range of specialist packaging

The right move for you

Britannia will provide the service that you require. This is determined once a pre-move survey has been carried out by one of our professionally trained move consultants. You can be confident that Britannia will provide you with a quotation offering a quality service in line with your budget and expectations.

Continuous Training

So that Britannia's services are right for you every time, Britannia makes sure that all their staff receive the highest level of removals training from our dedicated training centres.

Whether Britannia are conducting your pre-move survey or packing your treasured possessions, you can be sure that your European move is in safe hands.

Packing and Preparation

Packing for a European move is a specialist skill and Britannia has experienced and professionally trained staff to provide this service for you. Using a modern range of environmentally friendly

purpose made packing materials Britannia's staff will arrive punctually at your home to prepare your possessions for collection. Detailed inventories are also prepared for the onward move to destination or storage. This allows you to keep a record of your goods and the current condition that they are in on collection by Britannia.

Storage facilities

Britannia – caring for your home

During the process of a European move, Britannia is fully aware that storage may be a requirement for a period prior to delivery. Secure, short or long term storage can be provided by Britannia at a variety of locations, both within the UK and within easy reach of your overseas European destination.

UK Storage

Britannia has over forty modern, secure containerised storage centres throughout the UK. Each centre offers a range of storage services with some being able to offer self storage, vehicle storage, single or multiple item and archive/data storage.

European Storage

Britannia as part of E.M.G and Fedemac can store your belongings safely and securely in modern storage centres anywhere in Europe.

Total Flexibility

Britannia's Network of storage centres throughout the UK and Europe gives you total flexibility enabling you to instruct delivery of your goods to suit your requirements.

Thinking about your move

For over thirty years Britannia has moved household and personal effects for thousands of customers to every destination in Europe. Each and every situation and problem Britannia has experienced has built an invaluable local knowledge throughout Europe and of the requirements to successfully move our customers goods smoothly and efficiently.

As a result, Britannia emphasise the necessity to assess the delivery/collection access, bearing in mind the size of our European vehicles used. Information such as narrow access roads, inaccessible stairways and properties in secluded rural settings is critical to the planning and smooth running of your move. While Britannia will endeavour to overcome these issues ourselves it is also of paramount importance that you advise us of all access issues that you are aware of prior to the move. This will only help and support a clear and efficient collection or delivery of your goods.

Britannia's flexibility and expertise enables the movement of almost everything you have. We have successfully moved boats, statues, cars, horses, pets and even a double decker bus!
